

THE CSS DIFFERENCE

When your business runs into an issue with your HR and Payroll – you want to have someone on call who will help you find a resolution. Someone you can trust, who will be a guide and expert.

At Central Staff Services – that's what we do.

96%
RETENTION RATE

THAT'S THE CSS DIFFERENCE

Every business is unique – which is why we develop customized options and flexible services to tailor HR and payroll solutions to your needs.

Companies are built on people and putting them first is our business model. That's how we've achieved a 96% retention rate (compared to the 93.2% Industry Average).
